CIRCULAR

Gujarat Technological University under the Vidushi Gargi Centre for Women Development is in Collaboration with Pandit Deendayal Energy University as Partner for the Garima Project of Mahila Cell, CID Crime, Gujarat State, Gandhinagar.

We hereby inform institutes and students to actively participate in this Survey and contribute to this noble cause and uplift the society's well-being.

About the Garima Project

Garima Project is a unique initiative of the Gujarat Police to ensure the safety of women and senior citizens across the state of Gujarat. A research is being carried out to map the safety and wellbeing concerns and reality of women and senior citizens residing in cities and rural areas of Gujarat state. Furthermore, their suggestions and ideas will be examined, analyzed and conveyed so that Gujarat Police can take the necessary steps. Through the Garima survey Gujarat Police is determined to improve the safety of women and senior citizens and create a positive environment for people to live with dignity.
