Under the visionary leadership of Honorable Prof (Dr.) Navin Sheth, Vice Chancellor of Gujarat Technological University (GTU) and admirable guidance of Dr. K. N. Kher, Registrar of Gujarat Technological University (GTU), GTU has built a solid foundation of Vidushi Gardi, Centre for Women Development.

Gujarat Technological University under the Vidushi Gargi Centre for Women Development organized a free Health Check-up camp for the GTU female staff and students on 30th Dec, 2021 at GTU Chandkheda.

The objective of this camp was to generate awareness in female staff and students regarding early identification and management of anemia by doing a basic hemoglobin testing. Women's going through perimenopause phase are vulnerable to bone loss mostly. So we were conducted bone mineral density test for female.

Entire event was divided in two sessions. In first session, Blood samples were collected and Bone mineral density test were performed in first half of the day. Blood test reports were given to participants by the 04:00 pm of same day and Results for Bone mineral density were given to participant instantly at the time of testing. In the Second session, Consultation by General Physician - Dr. Jayesh Vasaiya. (M.D. Medicines) was carried out to participants who seek advice for their reports and general consultation for health.

Total **174** participants were being tested for Blood Test and **168** participants were being tested for Bone Mineral Density Test.

68 participants had consulted General Physician - Dr. Jayesh Vasaiya. (M.D. Medicines) and Dr Sanjay Joshi (Consulting doctor of Gujarat Technological University) for their health queries and seek advice for their reports.

Entire event was successfully coordinated by Dr. Komal Borisagar (Chairman – WDC, GTU) along with Programme coordinators Ms. Bhumika Maheriya (Asst Prof, GTU) and Ms. Jennifer Solanki (Office Superintendent, GTU) and WDC committee members with the active co-ordination of Dr. Sanjay Joshi (Consulting doctor of Gujarat Technological University) with the help of GSMS and GSP students as volunteers.
