

VIDUSHI GARGI CENTRE *for* WOMEN DEVELOPMENT

Event Report

Title: Cyber Awareness: The Need of Gen Z

Event Date: 22.03.2024

No. of participants: 120

The event “Cyber Awareness: The Need of Gen Z” on March 22, 2024, in collaboration with Information Security Education and Awareness (ISEA) Project II, C-DAC-HYD, MeitY, Government of India, was organized by the GTU Vidhushi Gargi Cell for Women's Development.

The “Cyber Worriers” book unveiling ceremony was done at this event. The main goal was to empower women against cyber offenses. The invited dignitary, Dr. Ch. A. S. Murty, Associate Director, C-DAC, Hyderabad, has shared his knowledge of various attacks and made the women participants aware of cyber security awareness in the digital world. He has also shared the workings of Information Security Education and Awareness (ISEA) Project-II with GTU. The invited dignitary Shri. Bharatsinh M. Tank, SP, CID (Crime), Gandhinagar, shared that the understanding of self and human behavior is more important in the context of greediness, laziness, and fearfulness to prevent ourselves against cyber frauds.

The honorable in-charge vice chancellor, Prof. (Dr.) Pankajray Patel, shared the importance of cyber security awareness and preventive measures to empower women. Dr. K. N. Kher, Registrar, GTU, suggested that acting fearlessly and with alertness is essential to dealing with cyber offenses. GTU WDC Chairperson Dr. Komal Borisagar briefed about Generation Z and the need for cyber awareness. The teamwork of WDC members was appreciated by everyone.
