### About the event:

Vidhushi Gargi - Cell for Women Development organized a Session on “Tears to Triumph: A Journey of Hope with Dr. Shefali Desai (M.S. Oncologist Breast Surgeon)” about the awareness on breast cancer. The chairperson of GTU WDC, Dr. Komal Borisagar briefed about the event objectives. Dr. Shefali had described various causes of breast cancer. She shared her knowledge about the various research and curable techniques of breast cancer. There were a question answer session, in which many important points about breast cancer were discussed with participants.

Honourable vice chancellor Dr. Rajul Gajjar briefed about the importance of female health and advised to do the self-examination for better health. She appreciated efforts of WDC team members. WDC members of L. D. Engineering College, Ahmedabad, and Vishwakarma Government Engineering College, Chandkheda, were present to attend the event. The coordinator of GTU WDC, Dr. Neelam Nathani, concluded the events with a vote of thanks.

### Objectives:

The objective of organizing such an event was to make female staff, students, and faculty members aware of breast cancer symptoms, precautions, and preventive measures.
