Wajra O' Force have shown their willingness to collaborate with GTU and have invited us to serve as their knowledge partners for Wajra's her STEAM - Life Skills project. As a part of this collaboration, female faculty members of various PG Schools have visited the schools adopted by the foundation to educate the young girls on various topics in order to boost their motivation to continue with their education.

The inaugural session, held on January 16, 2024, at Kathwada 2 Primary School situated on Kathwada Road, Singarva, Daskroi, Ahmedabad district, marked an engaging informative start to our tutorial series. Led by Dr. Radhika Gandhi, Assistant Professor at GSMS, along with the valuable contributions from Ms. Aanal Raval and Ms. **Arpita**

Maheriya, both Research Scholars at GSET, the session catered to students from grades 4, 5, and 6.Topics ranging from effective utilization of Google and YouTube for educational purposes to discussions on fundamental concepts such as computers, mobile phones, internet usage, solar systems, satellites, and solar panels were explored. Furthermore, recent technological advancements, including insights into events such as Chandrayan-3, were delved into. With an approximate attendance of 80 enthusiastic students, the session was characterized by its interactive nature, leaving a lasting impact on all participants.
