## About the event:

Vidhushi Gargi - Cell for Women Development organized a Session on Cancer Screening Guidelines for all female stakeholders of the university On 30th January, 2025 with Dr Rohini Patel, Medical Officer, Community Oncology Department, The Gujarat Cancer and Research Institute, Civil Hospital, Ahmedabad.

Session was started with welcome and objectives by Prof. Jignasa Acharya. Expert had explained the importance of early detection in women of cancer and brief statistics of cancers globally and locally. Session welcome address was given by chairperson Dr. Komal Borisgar. She had explained types of female cancers and its main causes and symptoms along with the process of self examination. She had elaborated breast cancer, cervical cancer, ovarian cancer, their risk factor and symptoms. She explained how to cope up with cancer with the help of emotional and psychological support and importance of family and community support. Also risk factors and prevention were discussed with details.

Session was ended up with interesting questions - answers. In the end Prof. Neelma Nathani gave a vote of thanks and the session was concluded. It was a really informative and nice session.
